

Judicial Council Positions and Expectations

The Judicial branch has been established as the superior court of the Mississippi State Student Association. The students who are selected serve permanently. During their term, the members of the Judicial Branch are to be experts on the interpretation of the Mississippi State Student Association Constitution. They will work to ensure both the Senate and Executive Branches adhere to said Constitution and bylaws, as well as University policy.

Applications are open to Freshman during their first fall semester. Applications may also be opened as positions on the council become available in the case of resignation.
