RESOLUTION 7

A RESOLUTION FOR STUDENT SUPPORT TO CREATE A LABELED FOOD ALLERGY FRIENDLY SECTION IN THE PROVISIONS-ON-DEMAND AND MAROON MARKETS.

WHEREAS, there are many students with life threatening food allergies on campus who are afraid to purchase anything from the Pods and Maroon Markets; and

WHEREAS, the policy at Mississippi State states, “We support students with food allergies and special diets for medical, religious or personal reasons by providing the knowledge and resources necessary for students to make informed food choices in our dining locations.”; and

WHEREAS, there are no resources or labels for students with food allergies within the Pods and Maroon Markets; and

WHEREAS, a labeled section of foods free from the nine most common allergens: milk, eggs, wheat, soybeans, tree nuts, peanuts, fish, shellfish, and sesame is needed in all the Pods and Maroon Markets; and

WHEREAS, this would help students with allergies make safe choices that adhere to their dietary restrictions; and

THEREFORE, BE IT RESOLVED that we, the Student Association Senate of Mississippi State, show support for a labeled section of foods free from the nine most common allergens in the Pods and Maroon Markets; and

THEREFORE, BE IT FURTHER RESOLVED that a copy of this resolution be sent to Andrea Pichardo, MSU Aramark Marketing Manager.
