

MISSISSIPPI STATE UNIVERSITY™
STUDENT ASSOCIATION

Senator Jones
Student Affairs
65th Senate
1st Session

RESOLUTION [The Secretary will handle numbering of bills and resolutions]

**A RESOLUTION SUPPORTING THE CREATION OF THE COLLEGE OF ART,
ARCHITECTURE AND DESIGN AMBASSADORS**

WHEREAS, The College of Art, Architecture and Design seeks to foster student leadership, engagement, and representation across its departments; and

WHEREAS, The previous Dean's Council model relied on students being selected by faculty, which did not always ensure that participants personally chose to commit their time, energy, and service to the college; and

WHEREAS, Allowing students to apply to serve as ambassadors creates a voluntary model that encourages genuine investment, accountability, and sustained participation; and

WHEREAS, Student ambassadors would strengthen the sense of community within individual departments and across the College of Art, Architecture and Design as a whole; and

WHEREAS, Ambassadors would serve as advocates for students by communicating student perspectives, supporting college initiatives, and helping connect students with opportunities and resources; and

WHEREAS, Ambassadors would represent the college by giving tours to prospective students and families, serving at campus recruiting events such as Fall Preview Days, Spring Preview Day, and high school college fairs, and creating meaningful, authentic relationships with alumni and friends of Mississippi State University that support donor outreach and future enhancements within the college; and

THEREFORE, BE IT RESOLVED that we, the Student Association Senate of Mississippi State University, support the creation of the College of Art, Architecture and Design Ambassadors as a voluntary student leadership program designed to strengthen student

engagement, representation, recruitment, alumni relations, and community within the college;
and

THEREFORE, BE IT FURTHER RESOLVED that a copy of this resolution be sent to the Dean of the College of Art, Architecture and Design, the appropriate college leadership, and any additional recipients designated by the Secretary.
